I'm a Romanian actor, born and raised in Bucharest, Romania. It's also where i'm currently residing. I'm also half afghan, from my fathers side. I've just reached my first decade working in the industry, and i've been lucky enough to work with many amazing artists in so many types of projects ranging from commercials to film, tv shows and theatre. Hopefully as i continue this lovely adventure called acting, i will be able to meet and work with new artists that have amazing stories to tell and also learn more and always do my best to improve my craft.
