Hi there! I'm Erika, a multilingual East Asian actress, voice over artist, and model. I have had several experiences in TV, web-series, and short films. My first lead role was in an international romance short film, filmed during Covid lockdown and won several international short film awards. My latest work was playing a recurring role in a Chinese fantasy web series broadcasted by IQIYI. I also sing and play the guitar/piano, and used to do song covers on Youtube. I've also composed, written, and performed an original sub-theme song for a Singaporean web-series.
